The Best Butcher Shop In Every State

By [Nicole Adams](#) • July 19, 2026 12:20 pm EST

Maine: Maine Meat

A local favorite, Maine Meat is regularly spotlighted by publications like the Portsmouth Herald, News Center Maine, and the Boston Globe, and was listed multiple times as one of the best butcher shops in America by Food & Wine. Carrying locally sourced whole animals for beef, pork, lamb, and poultry, the shop also does in-house dry aging. You'll also find house-made deli meats, smoked bacon, and sausages.
